Don't miss this exciting event - the first of its kind in the UK.

Come and meet some of the experts in the field of neuroendocrine tumours, share your experience with others who are affected by neuroendocrine tumours and be part of the first international NET awareness year...

To register, please contact Cathy

by phone: 0800 434 6476
or email: hello@netpatientfoundation.com

The Belfast Tourist Board has kindly offered to help organise travel and accommodation. For more details on this, please ask Cathy.
